

PROFILE

I am an accomplished business studies student at Dublin City University, complemented by an enriching international experience through a master's in international management from Institut Mines-Télécom Business School in Paris.

A seasoned team leader, I have demonstrated my leadership capabilities as the captain of the DCU Ladies 'B' Rugby Team and earned accolades as Player of the Year. I blend my academic prowess with practical experience, having interned in regulatory relations at AIB and served in customer-facing roles in hospitality, showcasing my exceptional communication and organisational skills.
